

MAJESTY  ***YACHTS***

SUPERYACHT COLLECTION

Your Window into Luxury

CHAIRMAN'S NOTE

Mohammed Hussain Alshaali
Chairman

Gulf Craft was born in 1982 out of a love for the sea, a passion for building and a firm belief that the success of the Emirates should be based around productive industry – three key pillars that still support what the company does three decades since we first began.

35 years is a long time, and as the Emirates has undergone a sea change in terms of progress, prosperity and prominence on a global stage, we are privileged to have been both a witness to this transformation and a fellow traveler – growing from a humble Emirates based boat builder to a globally respected shipyard with a presence in more than 40 countries worldwide.

Over the years, we have measured our success on the continued confidence and loyalty of our customers and business partners and our ability to maintain a 100% delivery track record – successfully delivering more than 9,000 craft since we first began, across a spectrum that ranges from family fishing boats to the most luxurious superyachts.

The Majesty Yachts brand is in many ways Gulf Craft's flagship brand – representing the epitome of our engineering and design sophistication, our ability to translate our clients' vision into luxurious reality and our ambitions to build bigger and better yachts in the years to come.

LOOKING AHEAD

Erwin Bamps
Chief Executive Officer

As a company, Gulf Craft finds itself in a very fortuitous position – both in time and space.

Celebrating 35 years is a good period to acknowledge the company’s growth and success over the past three decades but it is also the perfect time to look ahead to what is to come.

Geographically, Gulf Craft is positioned in a very strategic location – close enough to the traditional yacht markets of Europe and poised on the very edge of fast-growing Asia.

With the launch of the Majesty 155, Gulf Craft has proven its capabilities – in terms of innovation and ability to both anticipate and deliver what the global market wants in size and sophistication.

Gulf Craft continues to invest in equipment capable of handling larger and more technically challenging builds and skilled workmanship capable of meeting more demanding requests, proving Gulf Craft’s long-term confidence in the global superyacht market and our own position within it.

Gulf Craft is
favored in both
regional and
international
markets

COMPANY HISTORY

In 1982 Mohammed Hussein Alshaali along with his brothers Abdullah and Jamal, and Dr. Mohammed Hamdan, their long-standing friend, established Gulf Craft in the United Arab Emirates – driven by an entrepreneurial spirit, a love for the sea and a firm belief that the long-term success of the nation lay in the manufacturing industry.

Under Alshaali's guidance, Gulf Craft has grown from being a manufacturer of small pleasure craft in 1982, to a yacht manufacturer in 1991 and a globally respected builder of superyachts since 2000.

Gulf Craft, the world's innovative builder of luxury yachts and leisure boats, has served the aspirations of passionate seafarers for more than three decades. The award-winning manufacturer is one of the world's leading superyacht shipyards, a merit it has achieved through continuous investment in research and development.

Founded in the Emirates in 1982, Gulf Craft continues to redefine the on-water living experience with its wide variety of premium craft, ranging from 27 feet to 155 feet in length. Deploying advanced technology, powerful engineering, and timeless design, Gulf Craft builds each creation to meet the diverse requirements of its discerning clientele, transforming travel by sea into a journey worth indulging in.

With an expanding portfolio that includes the enchanting Majesty Yachts, the oceangoing Nomad Yachts, Silvercraft fishing boats and family cruisers, and Oryx sport yachts and cruisers, Gulf Craft has built an enduring legacy.

1982

With a modest 218,000 square foot facility in Ajman, UAE, Gulf Craft starts producing 14 foot runabouts for the local market.

1997

Launch of the Majesty 86.

2001

Gulf Craft's largest manufacturing facility opens in Umm Al Quwain in the Middle East, complete with 150 ton travel lift and launching bay. Launch of the Millenium 118, Gulf Craft's first superyacht over 30m.

1992

The Adora 53, the first complex yacht to be built by Gulf Craft is launched. This craft would remain one of the most desirable and popular yacht models in the Middle East for years to come.

2000

A new 100,000 square foot facility producing top-quality yachts, pleasure boats, and rapid transport vessels is launched in the Maldives.

2003

Building on the success of milestone projects like the Majesty 86 and Millenium 118, Gulf Craft launched the brand and product range Majesty Yachts in an ambitious drive to develop the region's first full line-up of luxury yachts.

MAJESTY  YACHTS

2006

Gulf Craft introduces the Oryx product line to fill an existing gap between large yachts and small pleasure craft. Specializing in sport yachts and open cruisers, it gains recognition among a younger target market.

ORYX

2008

Born from the 27 years boat building experience, the Silvercraft range is established to represent Gulf Craft's wide and diverse range of smaller family and fishing boats.

SILVERCRAFT

2012

Gulf Craft launches its largest superyacht ever built – the Majesty 135 – further solidifying the company's position as a major player in the prestigious global superyacht market.

2015

Gulf Craft launches its present-day flagship Majesty 155, showing customer confidence in the yard's products.

Catering to an evergrowing demand for long-range, fuel efficient yachts, Gulf Craft introduced the Nomad Yachts brand.

2015 - Won "Best Asian Built Yacht" for the Majesty 122 in Hong Kong during the Asian Boating Awards

2011

Gulf Craft launches the Gulf 95 Exp at the Dubai International Boat Show – presenting a new approach to explorer yacht design that maximizes onboard living space and comfort.

2014

Gulf Craft has clinched a top 10 ranking among the world superyacht-building shipyards, according to the Boat International Global Order .book report

Majesty 105 was announced as a finalist of The World Superyacht Awards 2014

2016

Gulf Craft won "Quality & Value Award" for the Majesty 122 at the World Superyacht Awards

Launching of the Majesty 110 and Majesty 90 at the Dubai International Boat Show

Emirates-based builder, Gulf Craft enters the world of megayachts revealing two new design concepts Majesty 200 and Majesty 175 at the 2016 .Monaco Yacht Show

Each yacht is an individual project, finished uniquely to match the desires of its owner

REFINED BOAT BUILDING SKILLS PERFECTED OVER 35 YEARS

At Gulf Craft we believe each yacht we build is unique – an individual and complex exercise in engineering, design and craftsmanship; which is why we prefer the term yacht builders rather than yacht producers. Our shipyard does not resemble a production line – each yacht is an individual project, finished uniquely to match the desires of its owner.

Our yachts are developed using detailed computer modeling and using the latest technologies such as CNC and waterjet, but the human hand still lends the final touches and it is the human eye that grants the final seal of approval after the industrial tests and standards are stamped. We value craftsmanship and it is a skill we have nurtured for over three decades.

Gulf Craft, the world's innovative builder of luxury yachts and leisure boats, has served the aspirations of passionate seafarers for more than three decades. The award-winning manufacturer is one of the world's leading superyacht shipyards, a merit it has achieved through continuous investment in research and development.

Founded in the Emirates in 1982, Gulf Craft continues to redefine the on-water living experience with its wide variety of premium craft, ranging from 27 feet to 155 feet in length. Deploying advanced technology,

powerful engineering, and timeless design, Gulf Craft builds each creation to meet the diverse requirements of its discerning clientele, transforming travel by sea into a journey worth indulging in.

With an expanding portfolio that includes the enchanting Majesty Yachts, the oceangoing Nomad Yachts, Silvercraft fishing boats and family cruisers, and Oryx sport yachts and cruisers, Gulf Craft has built an enduring legacy.

DECK FITTINGS

- Teak wood fitted on swim platform, main deck aft cockpit, side decks, upper deck aft cockpit and sundeck.
- Port side pantograph door access to main deck Pantry.
- Starboard side pantograph door access to Main deck Lobby.
- Main deck aft cockpit port side pantograph door access to Crew cabin.
- Port and Starboard side bulwark doors at aft and mid ship.
- Ladder for side access.
- Hydraulic Anchor windlass with hand controls (2).
- Stainless steel bow guard and anchor pockets.
- 185kg Anchors (2).
- Chains for anchors – Length:123M; Diameter: 16mm (2 nos).
- Capstans located at aft cockpit (2).
- Stainless deck cleats on forward area (4).
- Hawser pipes (6)
- Deck hatch access to chain locker.
- Fresh water deck wash outlets at main deck forward, aft and upper deck and sun deck.
- Stainless steel hand railings.
- Safety glass side windows and front wind screen.
- Front wind screen wipers with fresh water washing system.
- Self draining.
- Lighting around the side decks.
- Upholstered sofa seats at forward area.
- Storage within the forward sofa seat moulding.
- Fixed round teak table with stainless steel base.
- Stainless steel guard railing at main deck, upper deck and sundeck.
- Fuel fillers, water fillers and black tank overboard discharge on side deck.
- Name board with LED lighting.
- Stainless steel flagpoles on upper deck aft.
- Round shape portholes.
- Crane 500kg capacity (at main deck forward area).
- Crane 1000kg capacity (at sundeck).

MAIN DECK AFT COCKPIT

- Stainless steel framed sliding door to Saloon.
- Cockpit lighting.
- Stainless steel hand railings.
- Fixed teak table with stainless steel bases.
- Upholstered sofa seats.
- Speakers linked with Saloon entertainment system (2).
- Storage within aft seat moulding.

MAST

- Platform for radar and aerials.
- Lighting arrestor.
- Anchor light.
- Mast head light.
- GPS Antenna.
- VHF Antenna.
- Not Under Command light 1.
- Not Under Command light 2.
- Pan tilt camera.
- AFT Search light.
- Radars.
- TV satellite.

UPPER DECK PORT DOCKING STATION

- Engine control switches.
- Steering joystick.
- Bow thruster joystick.
- Rudder angle gauge.
- Engine throttle.
- Horn switch.

UPPER DECK STARBOARD DOCKING STATION

- Engine remote controls.
- Steering joystick.
- Rudder angle gauge.
- Horn switch.

SALOON

- LED TV 65".
- Home Theater system (Life style 48 Series).
- Satellite Receiver.
- Stainless steel framed sliding entrance door.
- Sofa seats on port and starboard side.
- Sofa side tables.
- Fitted carpet.
- Side windows with Roman and Pleated blinds.
- Architectural and cabinet lighting.
- Lighting switches and AC sockets.
- Air conditioning with control switch.
- Port and Starboard side wall cabinets with shelves.
- Telephone point.
- Curtains for main saloon door.
- Port and Starboard side entrance doors to day head, pantry and main lobby.

DAY HEAD TOILETS (PORT & STARBOARD SIDE)

- Vanity locker with Marble counter top.
- Wash basin and Tap with hot and cold water supply.
- Mirror.
- Bidet & Electric toilet.
- Extractor fan.
- Architectural, vanity and cabinet lighting.
- Lighting switches and AC sockets.
- Marble flooring.
- Marble wall panels.
- Sanitary accessories.

PANTRY

- Lockable water tight door leading to port side deck.
- Stainless steel sink.
- Wash basin and tap with hot and cold water supply.
- Tap with hot and cold water supply.
- Marble counter top.
- Refrigerator.
- Hob.
- Hood.

- Oven.
- Microwave oven.
- Dish washer.
- Shelf.
- Overhear lockers.
- Air conditioning with control switches.
- Architectural lighting.
- Lighting switches and AC sockets.
- Telephone point.
- Windows with pleated blinds.
- Vinyl flooring.
- Entrance door to lower deck forward guest corridor.

MAIN LOBBY

- Entrance doors from main saloon.
- Stairs to lower deck guest lobby.
- Stairs to upper deck lobby.
- Elevator.
- Watertight side door leading to Starboard side deck.
- Sliding door to owner's office.
- Marble flooring.
- Storage locker.
- Architectural lighting.
- Lighting switches and AC sockets.
- Veneer/Fabric/Leather wall panels.

OWNER'S OFFICE

- Desk with chair.
- Sofa seat.
- Storage locker with shelf.
- Fitted carpet.
- Window with Roman blinds and Pleated blinds.
- Architectural lighting.
- Cabinet lighting.
- Reading lights.
- Lighting switches and AC sockets.
- Air conditioning with control switch.
- Fabric/Leather wall panels.
- Entrance door to day head toilet (stbd).
- Entrance door to owner's suite.

OWNER'S STATEROOM

- LED TV 65".
- Home Theater system (Life style 48 Series).
- Satellite Receiver.
- Large double bed with drawers (4) & mattress, pillows and bedspread.
- Bed side tables.
- Port and Starboard side low cabinets.
- Port and Starboard side wardrobes.
- Windows with Roman blinds and Pleated blinds.
- Fitted carpet.
- Air conditioning with control switch.
- Reading, architectural and cabinet lighting.
- Lighting switches and AC sockets.
- Telephone points.
- Entrance door to bath cabin.
- Sliding door to walk-in closet.
- Fabric/Leather wall panels.

EN SUITE

- Vanity locker.
- Wash basin and tap with hot and cold water supply.
- Desk and stool.
- Shelf.
- Mirror.
- Glass door to shower cabin.
- Bidet and Electric toilet.
- Sanitary accessories.
- Extractor Fan.
- Architectural, vanity and cabinet lighting.
- Shower lighting.
- Lighting switches and AC sockets.
- Side window with wooden blinds.

WALK-IN CLOSET

- Wardrobes.

- Shelves.
- Drawers.
- Side windows with roman blinds and pleated blinds.
- Fitted carpet.
- Veneer/Leather/Fabric wall panels.
- Lighting switches and AC sockets.

GUEST LOBBY

- Stairs from main deck.
- Storage.
- Elevator.
- Entrance door to port side mid twin guest cabin.
- Entrance door to starboard side mid twin guest cabin.
- Entrance door to port side double guest cabin.
- Entrance door to starboard side double guest cabin.
- Marble flooring.
- Architectural lighting.
- Veneer wall panels.

AFT DOUBLE GUEST STATEROOMS (PORT SIDE & STARBOARD SIDE)

- LED TV 40".
- Satellite Receiver.
- Large double bed with drawers & mattress, pillows and bed spreads.
- Twin bed side tables.
- Wardrobe.
- Desk and stool.
- Fitted carpet.
- Air conditioning with control switch.
- Reading, architectural and cabinet lighting.
- Lighting switches and AC sockets.
- Entrance door to En Suite.
- Fabric/Leather wall panels.
- Windows with Roman and Pleated blinds.
- Telephone point.

EN SUITE

- Vanity locker.
- Wash basin and tap with hot and cold water supply.
- Storage locker.
- Mirror.
- Bidet and Electric toilet.
- Sanitary accessories.
- Glass door to shower cabin.
- Seat in shower cabin.
- Hot and cold water shower mixer.
- Sky shower.
- Port hole with wooden blinds.
- Marble flooring.
- Marble wall panels.
- Architectural, vanity and cabinet lighting.
- Shower lighting.
- Lighting switches and AC sockets.
- Port hole with wooden blinds.

MID TWIN GUEST STATEROOMS (PORT SIDE & STARBOARD SIDE)

- LED TV 26".
- Satellite Receiver.
- 2 x Single beds with drawers & mattresses, pillows and bed spreads.
- Bed side table.
- Wardrobe.
- Storage locker.
- Fitted carpet.
- Air conditioning with control switch.
- Entrance door to En Suite.
- Side window with Roman and Pleated blinds.
- Telephone point.
- Fabric/Leather wall panels.
- Reading, architectural and cabinet lighting.
- Lighting switches and AC sockets.

EN SUITE

- Vanity locker.
- Wash basin and tap with hot and cold water supply.
- Mirror.
- Bidet & electric toilet.
- Sanitary accessories.
- Frosted glass door for shower cabin.
- Hot and cold water shower mixer.
- Sky shower.
- Seat in shower cabin.
- Marble flooring.
- Marble wall panels.
- Port hole with wooden blinds.
- Architectural and cabinet lighting.
- Shower light.
- Lighting switches and AC sockets.

UPPER DECK LOBBY

- From Panoramic saloon to dayhead, wheelhouse and stairs down to main deck.
- Vanity locker with marble counter top.
- Wash basins and tap with hot and cold water supply (3).
- Marble flooring.
- Architectural lighting.
- LED lighting to steps.
- Lighting switches and AC sockets.
- Stairwell wall panels.
- Elevator.
- Entrance door to wheelhouse.
- Entrance door to day head toilet.
- Sliding door to panoramic saloon.

WHEELHOUSE

- Air conditioning with control switch.
- Architectural, chart and night lighting.
- Lighting switches and AC sockets.
- Sofa seat.
- Storage lockers.
- Fabric wall panels.
- Wooden flooring.
- Water tight side pantograph doors on port and starboard side.

MAIN HELM

- Helm seat with fore and aft adjustment system.
- Port and starboard side engine displays.
- Bow thruster control.
- General alarm.
- Detection fire alarms.
- AFT search light controls.
- FWD search light controls and switches.
- MCU 001 Keyboard controls (2).
- Port and Starboard side engine room exhaust fan controls (2).
- Trim tab gauge and switch.
- Compass.
- Steering wheel.
- Horn switch.
- Engine Throttle.
- Auto pilot.
- Wiper controls.
- Night vision controls.
- Whistle control.
- Anchor winch controls (2).
- Satellite compass.
- Bow thruster pump switch.
- Stabilizer display.
- Navigation displays.
- Port and Starboard side engine parameter gauges.
- Rudder angle indicator.
- Navigation lights panel.
- Multi displays (2).
- MSB display.
- VHF Radio hand set.
- Tanks display.
- AIS (Automatic Identification System).
- Radar display.
- Radar display backup.
- Navitex receiver.

- MF/HF receiver.
- Bilge pumps switches.

CAPTAIN'S CABIN

- LED TV 26".
- Satellite Receiver.
- Large double bed with drawer & mattress, pillows and bed spreads.
- Storage under the bed.
- Desk and stool.
- Storage lockers and wardrobe.
- Book shelf.
- Wardrobe.
- Windows with Roman blinds and Pleated blinds.
- Air conditioning with control switch.
- Reading, architectural and cabinet lighting.
- Lighting switches and AC sockets.
- Entrance door to En Suite.
- Fitted carpet.
- Telephone point.

CAPTAIN'S BATHROOM

- Vanity locker with marble counter top.
- Wash basin and tap with hot and cold water supply.
- Electric toilet.
- Extractor fan.
- Hot and cold water shower mixer.
- Sky shower.
- Mirror.
- Sanitary accessories.
- Architectural, vanity and cabinet lighting.
- Shower light.
- Lighting switches and AC sockets.
- Marble flooring.

MAIN GALLEY AND CREW LOUNGE

- LED TV 20".
- Satellite Receiver.
- Counter top.
- Stainless steel sink and tap with hot and cold water supply.
- Fridge.
- Washing machine/Dryer.
- Microwave oven.
- Hob.
- Deep fryer.
- Grill.
- Storage lockers.
- Over head lockers.
- Air conditioning with control switch.
- Porthole with pleated blinds.
- Vinyl flooring.
- Stools.
- Sofa and table.
- Architectural lighting.
- Lighting switches and AC sockets.
- Telephone point.
- Entrance door to crew cabin 01.
- Entrance door to crew cabin 02.
- Lockable water tight door leading to swim platform.
- Lockable water tight entrance door to engine room.
- Stairs to upper deck aft cockpit.
- Stainless steel hand railings.
- Dumbwaiter.

CREW CABINS (1 & 2)

- 2 x Single bed with mattress, pillows and bed spreads.
- Wardrobe.
- Air conditioning with control switch.
- Fabric wall panels.
- Vinyl flooring.
- Entrance door to En Suite.
- Port hole with Pleated blinds.
- Reading, architectural and cabinet lighting.
- Lighting switches and AC sockets.

EN SUITE

- Vanity counter with corian top.
- Sink and tap with hot and cold water supply.
- Electric toilet.
- Mirror.
- Hot and cold water shower mixer.
- Sky shower.
- Sanitary accessories.
- Architectural lighting.
- Lighting switches and AC sockets.

FORWARD CREW CABINS (3 & 4)

- 2 x Single bunk beds with mattress, pillows and bed spreads.
- Wardrobe.
- Air conditioning with control switch.
- Vinyl flooring.
- Port holes with Pleated blinds.
- Fabric wall panels.
- Entrance door to En Suite.
- Reading and architectural lighting.
- Lighting switches and AC sockets.

EN SUITE

- Vanity with corian counter top.
- Sink and tap with hot and cold water supply.
- Shelf.
- Mirror.
- Electric toilet.
- Hot and cold water shower mixer.
- Sky shower.
- Sanitary accessories.
- Architectural lighting.
- Lighting switches and AC sockets.

CONFERENCE DINING CABIN

- LED TV 55".
- Satellite Receiver.
- Bar counter.
- Sink and Tap with hot and cold water supply.
- Bar stools (4).
- Storage cabinets.
- Round dining tables (4).
- Dining chairs.
- Fridge.
- Bottle cooler.
- Fitted carpet.
- Telephone point.
- Air conditioning with control switch.
- Architectural and cabinet lighting.
- Cabinet lighting.
- Lighting switches and AC sockets.
- Fabric/Leather wall panels.
- Windows with Roman and Pleated blinds.
- Patio door with curtains to upper deck aft cockpit.
- Sliding door to upper deck lobby.

ELECTRICAL SYSTEM

- Electrical system of the boat is 3-phase, 380415V, 50Hz (limiting fluctuations in shore power voltage to +/- 4%).
- Main shore power supplied by two generators (80Kw, Kohler).
- 380415V, 50Hz, 3-phase, 125Amp dockside connection (125Amp) with cable master system at aft cockpit port and starboard side.
- Telephone and television dockside connection.
- Power management and load sharing protection system.
- Motorized isolation battery switches.
- 12V, 200Amp Batteries for Port side engine (2).
- 12V, 200Amp Batteries for Starboard side engine (2).
- 12V, 100Amp Batteries for Port and Starboard side Generators (2).
- 12V, 200Amp Batteries for Service (2).

- 12V, 200Amp Batteries for Machinery (2).
- 12V, 200Amp Batteries for Emergency bank (2).
- Batteries are charged by five battery chargers.
 - 24V, 100Amp Battery charger for Service and Machinery batteries.
 - 24V, 100Amp Battery charger Port and Starboard engine batteries.
 - 24V, 80Amp Battery charger for Emergency batteries.
 - 24V, 30Amp Battery charger for Generator batteries.
 - 24V, 50Amp Battery charger for MF/HF Radio.
- Main switch board system equipped with magnetic contactors, overload protections and short circuit protections.
- 380415V panel is equipped with the following apparatus for each generator.
 - Volt meter with select switch.
 - Frequency indicator.
 - Ampere meter with current transformers.
 - Watt meter.
 - Signal light on.
 - Signal light alarm.
 - Signal light disconnect.
- For shore connections:
 - Volt meter with select switch.
 - Ampere meter with current transformers.
 - Phase sequence meter.
 - Signal light connect.
 - Signal light disconnect.
 - Signal light shore energized.
- For 24V system:
 - Voltmeter for general service battery.
 - Voltmeter with change over switch for the engine starting batteries.
 - Ampere meter.
- Outgoing circuits protected by circuit breakers.
- All motors to be 220V, single phase and 380415V, 3-phase, 50 Hz.
- All cables to be color coded.
- Protection to the phase line sequence.
- Main panel in wheelhouse contain following:
 - Navigation lights.
 - Deck lighting.
 - Navigation equipments.
- 220V AC power outlets in all cabins.
- Navigation lights according to the international regulations.
 - Navigation lights (red and green).
 - Stern light.
 - Head on mast.
 - Anchor light on mast.
 - NUC Light -1.
 - NUC Light -2.
- Tank senders for all tanks.
- Emergency lighting for all cabins.
- Extractor fans (3-phase) for engine room venting system (2).

POWER AND DRIVE SYSTEM

- Direct shaft drive through tunnels.
- Propellers, 5-bladed, AB2 material (2).
- Bronze P-brackets (2).
- Bronze rudders (2).
- Duplex steel tail shafts (2).
- Hydraulic bow thruster 100 HP.
- TRAC 540 Stabilizing system.
- Seawater strainers for main engines/generators.
- Hydraulic trim tabs (2).
- Cathodic protection provided by zinc anodes and copper plates.

FUEL SYSTEM

- Total fuel capacity 8522 US Gallons (32255 Liters).
- All tanks provided with manholes, fill pipes, ventilation pipes, and connection pipes to manifold.
- Manual fuel shutoff valve.
- Racor fuel filters for generators.
- Electric fuel transfers pump 380V3-phase.
- Fuel levels are visible on monitoring panel.
- Manual fuel transfer pump.
- Isolation valves to fuel manifold.
- Fuel fillers on Port and Starboard side deck.
- Fuel lines are made of stainless steel.
- Fuel pipe connections to engines/generators by flexible hoses/ stainless steel pipes.

FRESH WATER SYSTEM

- Fresh water capacity 2840 U.S. Gallons (10749 Liters).
- AC fresh water pump 230V (2), 50Hz, 5Amps pressure system.
- Pressurized hot and cold water system.
- Marine standard electric water heaters capacity 67Lts (3).
- Water heated by 240V immersion heater.
- GF piping throughout supplying all outlets.
- Filling and ventilations to side deck.
- Dock connection for shore water supply on aft swimming platform with pressure reducer.
- Handheld shower on swim platform with hot and cold water supply.
- Water makers 1800Gallons/day, 380415V, 3 phase, 50 Hz for fresh water (2).
- Inline filters for fresh water system.

FIRE EXTINGUISHING SYSTEM

- Electric pumps with bypass valves for firefighting purpose.
- Fresh water line connected to manifold for priming and cleaning system.
- Fire alarm connected with all cabins smoke sensors.
- Portable dry powder fire extinguishers in all cabins.
- FM 200 fire extinguishing system for engine room.
- Engine room fire extinguisher emergency handle fitted at aft cockpit port recessed locker.
- Fuel shutoff valve emergency handle fitted at aft cockpit port side recessed locker.
- Engine room extractor fan emergency switches located at aft cockpit port side recessed locker.
- Fire plumbing lines are made of CuNiFer/Stainless steel pipes.

BILGE SYSTEM

- High water level alarm system for each water tight compartment.
- Automatic bilge pumps fitted in each water tight compartment (3700GPH).
- Fire and bilge line manifold system is installed in engine room.
- Mechanical pump with bypass valves for fire and bilge purpose.
- Hand operated diaphragm pump with bypass valves for suction of the bilges in each water tight compartment.
- Bilge suction lines are connected to mechanical pump.
- Bilge lines are made of CuNiFer/

Stainless steel pipes.

AIR CONDITIONING SYSTEM

- Chilled water air conditioning system with capacity 600 000 BTU.
- All compressors on 380415V and handlers on 220V.
- Sea water pumps for chillers (2).
- Chiller water pumps (2).
- Chillers, Chiller water pumps, Sea water pumps placed in engine room.
- All plumbing lines are made from PVC pipes.
- All plumbing lines are well insulated.
- Chillers sea water cooling pipe lines are made of CuNiFer/ stainless steel.
- A/C control switches in all cabins.

COMMUNICATION SYSTEM

- Phontech system - (Intercom and telephone system provided with five lines and 18 channels), all cabins, pilot house, fly-bridge and engine room.
- SART (Search And Rescue Transponder).
- EPIRB.
- Loud hailer.
- Provision for Antenna and Telephone (connection at shore power box).

NAVIGATION SYSTEM

- 19" Multi display monitors in the Main helm (2).
- FURUNO Navigation system.
 - GPS (2).
 - Radars - 12Kw, 4Kw (2).
 - Depth sounder (2).
 - Speed logs and wind speed.
 - Auto pilot.
 - VHF Radio.
- (Navigation system upgrade is available on request as optional)
- Mast area- equipped with radars, satellite antenna, horn, wind speed, navigation lights, Lightning arrester, search light (Jabsco) fwd and aft, horn (T3 model).
- Camera (PAN/TILT/ZOOM) at Flybridge, Main deck Aft cockpit and 2 at Engine room.
- Alarm Monitoring System for All tanks, A/C Chiller pumps, Black water pump, Steering pump, Smoke detectors, Bilge Alarm, Navigation Lights, STP Alarm indication, Water maker, Fresh water pumps, Doors Windows and Hatches.

LIFE RAFT AND SAFETY EQUIPMENTS

- Solas Life jackets (24).
- 24" Life rings (2).
- Life rafts capacity of 8 persons each (4)
- First Aid kit (2)
- Fire blanket (2)
- Fire dampers safety on Port and Starboard side vent shaft.
- Portable fire extinguishers as per plan.

GULF CRAFT PRODUCT RANGE

MAJESTY YACHTS

ABOVE Majesty 90

YACHT RANGE 48 - 90

Gulf Craft launched its range of luxury fly-bridge yachts under the name of Majesty Yachts in 2004, and today features an innovative and extensive yachts range from 56 feet to 88 feet, in addition to the superyachts range.

Majesty Yachts relies on a in-house design team, as well as on Dutch, Italian, British and Australian designers, catering to diverse global tastes in exterior styling and interior design. The Majesty Yachts team combines technical know-how, practical experience, and decades of steady investment to deliver personalized luxury without the price premium.

NOMAD YACHTS

ABOVE Nomad 65

The Nomad Yachts is the latest masterpiece created by Gulf Craft. The brand Nomad Yachts was first introduced to the world in 2015 at the Dubai International Boat Show. Although a young brand, the Nomad Yachts has quickly witnessed international success when in the month following its premiere, it was debuted in Europe, Africa and Asia. The brand new line of yachts is designed for serious boating enthusiasts who are looking to take their passion onto the high seas.

SILVERCRAFT

ABOVE Silvercraft 36 HT

Year after year, we're striving to exceed our customers' expectations. That's why we created the new Silvercraft sport fishing and family boats. Continuing the Gulf Craft reputation for constant innovation and superior standard of quality, the Silvercraft range combines advanced hull designs, superior performance and evolving styles.

With the company founders being seasoned seafarers themselves, every new boat type is carefully designed and rigorously tested before introduction to the market. The strive for application of the latest technologies and to meet the design requirements of our customers spread all over the globe, is forcing a constant rejuvenation and rethinking of the production process, our products and services, manifesting itself in our ever-improving product quality, trying to redefine powerboating every single day.

ORYX

ABOVE Oryx 42

In 2006 Gulf Craft introduced the Oryx sport cruiser – the sea-borne equivalent of an elite sports car – that became an instant hit within weeks of its launch. Now the Oryx has evolved into a range of high-performance sport yachts and cruisers of different sizes that are exported worldwide.

Always innovative, the Oryx range continues to offer outstanding value-for-money and uncompromising on water performance for the growing sports cruiser market.

Pictures in this catalogue may be taken from different vessels of the same type for example purpose only. Performance estimates are given in good faith, but are in no way guaranteed. Dirt on the hull, damage to the propellers, external water and air temperatures and added weight, fuel and water carried can all adversely affect performance. For these and other reasons we can give no performance guarantees. Data and characteristics are not binding: details, colors, descriptions and illustrations are for information purpose only. The drawings and pictures may include specific equipment or modifications which are not part of the standard specifications of the vessel. Standard specifications may be defined differently in different sales territories. Gulf Craft Inc. reserves the right to make any changes in specifications or equipment without prior notice. In case on any inconsistencies between specification sheet, product catalogue and price list, the price list prevails. Customers are recommended to contact one of our sales representatives to reconfirm standard and optional features on the vessels.
