YACHT COLLECTION

Your Window into Luxury

CHAIRMAN'S NOTE

Mohammed Hussain Alshaali
Chairman

Gulf Craft was born in 1982 out of a love for the sea, a passion for building and a firm belief that the success of the Emirates should be based around productive industry – three key pillars that still support what the company does three decades since we first began.

35 years is a long time, and as the Emirates has undergone a sea change in terms of progress, prosperity and prominence on a global stage, we are privileged to have been both a witness to this transformation and a fellow traveler – growing from a humble Emirates based boat builder to a globally respected shipyard with a presence in more than 40 countries worldwide.

Over the years, we have measured our success on the continued confidence and loyalty of our customers and business partners and our ability to maintain a 100% delivery track record – successfully delivering more than 9,000 craft since we first began, across a spectrum that ranges from family fishing boats to the most luxurious superyachts.

The Majesty Yachts brand is in many ways Gulf Craft's flagship brand – representing the epitome of our engineering and design sophistication, our ability to translate our clients' vision into luxurious reality and our ambitions to build bigger and better yachts in the years to come.

LOOKING AHEAD

Erwin Bamps
Chief Executive Officer

As a company, Gulf Craft finds itself in a very fortuitous position – both in time and space.

Celebrating 35 years is a good period to acknowledge the company’s growth and success over the past three decades but it is also the perfect time to look ahead to what is to come.

Geographically, Gulf Craft is positioned in a very strategic location – close enough to the traditional yacht markets of Europe and poised on the very edge of fast-growing Asia.

With the launch of the Majesty 155, Gulf Craft has proven its capabilities – in terms of innovation and ability to both anticipate and deliver what the global market wants in size and sophistication.

Gulf Craft continues to invest in equipment capable of handling larger and more technically challenging builds and skilled workmanship capable of meeting more demanding requests, proving Gulf Craft’s long-term confidence in the global superyacht market and our own position within it.

Gulf Craft is favored in both regional and international markets

COMPANY HISTORY

In 1982 Mohammed Hussein Alshaali along with his brothers Abdullah and Jamal, and Dr. Mohammed Hamdan, their long-standing friend, established Gulf Craft in the United Arab Emirates – driven by an entrepreneurial spirit, a love for the sea and a firm belief that the long-term success of the nation lay in the manufacturing industry.

Under Alshaali's guidance, Gulf Craft has grown from being a manufacturer of small pleasure craft in 1982, to a yacht manufacturer in 1991 and a globally respected builder of superyachts since 2000.

Gulf Craft is a major manufacturer of luxury yachts and fiberglass boats and one of the world's top 10 superyacht builders (as listed in the 2014 Global Order Book). Gulf Craft, an award-winning shipyard, has built a distinguished reputation as a manufacturer of a wide diversity of vessels, ranging from fishing and family boats of 27 feet to sport cruises and semi-customized luxury superyachts of up to 155 feet.

With an annual production capacity of around 400 craft and expertise built over three decades in the business, Gulf Craft has a presence in all boating markets globally through its Majesty Yachts, Oryx and Silvercraft brands. In addition, Gulf Craft provides worldwide maintenance and re-fit services as well as advisory on all aspects of boat ownership.

Gulf Craft is recognized in the marine manufacturing industry for its reliability, innovative design layouts, contemporary and elegant exterior styling – favored in both regional and international markets. An extensive network of international dealers represents the company in diversified markets – from Europe to Australia. Exhibiting at leading international boat shows keeps Gulf Craft's brands and superior product range at the forefront of market attention.

TIMELINE

1982

With a modest 218,000 square foot facility in Ajman, UAE, Gulf Craft starts producing 14 foot runabouts for the local market.

1997

Launch of the Majesty 86.

2001

Gulf Craft's largest manufacturing facility opens in Umm Al Quwain in the Middle East, complete with 150 ton travel lift and launching bay. Launch of the Millenium 118, Gulf Craft's first superyacht over 30m.

1992

The Adora 53, the first complex yacht to be built by Gulf Craft is launched. This craft would remain one of the most desirable and popular yacht models in the Middle East for years to come.

2000

A new 100,000 square foot facility producing top-quality yachts, pleasure boats, and rapid transport vessels is launched in the Maldives.

2003

Building on the success of milestone projects like the Majesty 86 and Millenium 118, Gulf Craft launched the brand and product range Majesty Yachts in an ambitious drive to develop the region's first full line-up of luxury yachts.

MAJESTY  YACHTS

2006

Gulf Craft introduces the Oryx product line to fill an existing gap between large yachts and small pleasure craft. Specializing in sport yachts and open cruisers, it gains recognition among a younger target market.

ORYX

2012

Gulf Craft launches its largest superyacht ever built – the Majesty 135 – further solidifying the company's position as a major player in the prestigious global superyacht market.

2015

Gulf Craft launches its present-day flagship Majesty 155, showing customer confidence in the yard's products.

Catering to an evergrowing demand for long-range, fuel efficient yachts, Gulf Craft introduced the Nomad Yachts brand.

2015 - Won "Best Asian Built Yacht" for the Majesty 122 in Hong Kong during the Asian Boating Awards

2008

Born from the 27 years boat building experience, the Silvercraft range is established to represent Gulf Craft's wide and diverse range of smaller family and fishing boats.

SILVERCRAFT

2014

Gulf Craft has clinched a top 10 ranking among the world superyacht-building shipyards, according to the Boat International Global Order book report.

Majesty 105 was announced as a finalist of The World Superyacht Awards 2014

2016

Gulf Craft won "Quality & Value Award" for the Majesty 122 at the World Superyacht Awards

Launching of the Majesty 110 and Majesty 90 at the Dubai International Boat Show

Emirates-based builder, Gulf Craft enters the world of megayachts revealing two new design concepts Majesty 200 and Majesty 175 at the 2016 Monaco Yacht Show.

2011

Gulf Craft launches the Gulf 95 Exp at the Dubai International Boat Show – presenting a new approach to explorer yacht design that maximizes onboard living space and comfort.

Each yacht is an individual project, finished uniquely to match the desires of its owner

REFINED BOAT BUILDING SKILLS PERFECTED OVER 35 YEARS

At Gulf Craft we believe each yacht we build is unique – an individual and complex exercise in engineering, design and craftsmanship; which is why we prefer the term yacht builders rather than yacht producers. Our shipyard does not resemble a production line – each yacht is an individual project, finished uniquely to match the desires of its owner.

Our yachts are developed using detailed computer modeling and using the latest technologies such as CNC and waterjet, but the human hand still lends the final touches and it is the human eye that grants the final seal of approval after the industrial tests and standards are stamped. We value craftsmanship and it is a skill we have nurtured for over three decades.

Gulf Craft, the world's innovative builder of luxury yachts and leisure boats, has served the aspirations of passionate seafarers for more than three decades. The award-winning manufacturer is one of the world's leading superyacht shipyards, a merit it has achieved through continuous investment in research and development.

Founded in the Emirates in 1982, Gulf Craft continues to redefine the on-water living experience with its wide variety of premium craft, ranging from 27 feet to 155 feet in length. Deploying advanced

technology, powerful engineering, and timeless design, Gulf Craft builds each creation to meet the diverse requirements of its discerning clientele, transforming travel by sea into a journey worth indulging in.

With an expanding portfolio that includes the enchanting Majesty Yachts, the oceangoing Nomad Yachts, Silvercraft fishing boats and family cruisers, and Oryx sport yachts and cruisers, Gulf Craft has built an enduring legacy.

SPECIFICATIONS OVERVIEW

- Power assisted electro hydraulic steering system.
- Bow thruster 10 HP, 24VDC (optional).
- Stern thruster 10 HP, 24VDC (optional).
- 24V DC and 220V AC electrical system.
- 220VAC, 50Hz, Single phase shore power dock side connection.
- 20Kw, 220VAC, 50Hz Diesel generator.
- Anchor 35kg with chain length 50m, 10mm diameter.
- Dual station electric Anchor winch controls.
- Dual station electric Trim tabs with indicators.
- Dual station Autopilot.
- Dual station VHF Radio.
- Electric quiet flush toilets.
- Search light with dual station controls.
- Chilled water air conditioning system with capacity 100000 BTU (optional).
- Navigation equipments (optional).
- Refrigerator in galley.
- Ice maker (optional).
- Cockpit table (optional).
- Fly-Bridge electric Barbeque.
- Fly-Bridge Refrigerator.
- Saloon LCD TV / DVD Home theater system.
- Stainless steel Transom doors with signage 56.
- Stainless steel railings.
- Stainless steel framed Saloon door.
- Stainless steel framed port holes with clear safety glass.
- 6 x Mooring cleats, two on forward, two on aft cockpit and two on amidships.
- Sun top with canvas (optional).
- Hot and Cold water transom shower.
- Electric water heater 50 liters capacity.
- Fixed fire extinguishing system in engine room.
- Fly-Bridge upholstered sofa seats and table.
- Full length transom platform with tender storage facilities.
- Water maker 140Lts/hr, 220-240V, 50Hz (optional).
- Teak decking on Swim platform, Cockpit and Gunnel area (optional).
- Life raft 8 persons (optional).
- Sun bed on forward area (optional).
- Crane 250 Kg capacity (optional).

CONSTRUCTION

- The hull and deck are made out of a single piece GRP mould, built from combination of chopped strand mat, bi-directional knit fabric and balsa core hand-laminated under controlled temperatures with Isopathalic polyester resin.
- The hull and deck exterior have got mirror glaze gel-coat finish.
- Vacuum infusion divinycell foam sheet main bulkheads.
- All materials used in the construction are approved marine quality.
- Basic hull color: white

DECK FITTINGS

- Electric anchor winch with fore deck, main helm and Fly-Bridge controls.
- Stainless steel bow roller for anchor launch and retrieve.
- Anchor 30kg with 50M length of chain.
- Deck hatch access to chain locker.
- Stainless steel hand rails.
- Foredeck hatch to VIP room.
- Full set of navigation lights.
- Search light with dual station controls.
- Double trumpet electric horn.
- Black tank over board discharge on side deck.
- Fuel and water fillers on side deck.
- Sun bed at forward area (optional).
- S.S Fenders basket.
- 6 x Mooring cleats.
- Stainless steel pulpit and guard rails.
- Tinted side windows.
- Front wind screen.
- Windscreens wipers with fresh water wash system.

AFT COCKPIT

- Lockable water tight entrance door to crew cabin.
- Lockable gas strut assisted hatch to engine room.
- S.S Transom doors leading to swim plot form.
- Self draining.
- Upholstered seating.
- Cockpit table (optional).
- Cockpit ceiling lighting.
- Stainless steel handrails.
- Manual swim ladder.
- Hot and cold water Transom shower.
- Deck wash.
- 220VAC, 50Hz, Single Phase Shore power inlet cable.
- Steps to side deck.

- Reserve manual bilge pump.
- Locker with house and generator batteries isolation switches, house and port engine interconnection connections switch, fuel shutoff valve pull – out pin, engine room fire extinguisher emergency pull – out pin.
- Integral stair way to Fly-Bridge with teak treads.
- LED lights to Fly-Bridge stair case.
- 2 x Audio speakers linked to saloon stereo.

FLY-BRIDGE

- Upholstered helm seat.
- Large “U” shaped upholstered sofa seat.
- Table.
- 2 x Speakers linked to saloon stereo.
- Wind deflector screen.
- Stainless steel handrails.
- Fiber glass Radar arch.
- Lighting on underside of radar arch.
- Electric Barbeque.
- Hot and cold water tap.
- Refrigerator.
- Electric Barbeque.
- Sun top with canvas (optional).
- Storage under sofa.
- Self draining.
- S.S Life rings stand.

FLY-BRIDGE HELM POSITION

- Fly-Bridge helm position instruments and controls.
 - Steering wheel.
 - Port and Stbd engine displays.
 - Navigation equipments (optional).
 - Trim tab controls.
 - Trim tab gauge.
 - Throttle.
 - Search light switch.
 - Magnetic compass.
 - VHF Radio.
 - Rudder angle gauge.
 - Anchor winch switch.
 - Port and Stbd engine ignition and emergency shutdown switch.
 - Auto pilot.

MAIN DECK GALLEY

- Corian counter top.
- S.S Sink and Tap with hot and cold water supply.
- Storage lockers and drawers.
- 4 – Burner hot plate.
- Microwave oven.
- Refrigerator.
- Ice maker (optional).
- Hob extractor fan.
- Glass storage and Bottle storage.
- Utility area for washer/dryer.
- Teak flooring.
- Dining area with “U” shaped sofa and table.
- Blinds for main entrance door.
- Curtains for side windows.
- Storage under sofa seats.
- Side storage locker.

SALOON

- Port and Star board side sofa seats and Coffee tables.
- Windows with curtains.
- S.S Railings.
- Storage under sofa seats.
- Teak floor steps to lower cabins.
- Entertainment system.
- Air conditioning with control switch (optional).
- Architectural lighting.
- Lighting switches and AC sockets.
- Fitted carpet.
- Veneer/Fabric/Leather wall panels.

LOWER HELM POSITION

- Lower helm position instruments and controls.
 - Steering wheel.
 - Wiper control switches.
 - Fresh water tank gauge.
 - Port Stbd side engines display.
 - Port side fuel tank gauge.
 - Search light switch.
 - Anchor winch switch.
 - Search light selector.
 - Generator control panel.
 - Navigation equipments (optional).
 - Port and STBD side engine ignition and emergency shutdown switch.
 - Rudder angle gauge.
 - Trim tab gauge.
 - Sliding window control.
 - Compass.
 - Auto pilot display.
 - Trim tab switch.
 - Engine throttle.
 - VHF Radio hand set.
 - Switches of Horn, Anchor light, Navigation light, Gauge light, Fuel steering gauge, Pilot light and bilge pumps.

OWNER ROOM

- Large double bed.
- Bed side tables with drawers.
- Storage under the bed.
- Port and Starboard side wardrobe with shelves.
- Desk with drawers and file storage.
- Sofa seat at starboard side.
- Refrigerator.
- Port holes with curtains.
- Entertainment system.
- Air conditioning with control switch (optional).
- Reading lights.
- Architectural lighting.
- Lighting switches and AC sockets.
- Veneer/Fabric/Leather wall panels.

OWNER'S ENSUITE

- Corian counter top.
 - Wash basin and tap with hot and cold water supply.
 - Shower room with foldable clear glass door.
 - Hot and cold water shower mixer.
 - Sky shower.
 - Extractor fan.
 - Port hole with blinds.
 - Electric toilet.
 - Corian flooring with teak border.
 - Sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook, towel rail).
 - Mirror.
 - Architectural lighting.
 - Lighting switches and AC sockets.
- STARBOARD GUEST ROOM
- Two single beds.
 - Bed side table with drawers.
 - Wardrobe.
 - Port hole with curtain.
 - Storage under the bed.
 - Air conditioning with control switch (optional).
 - Reading lights.
 - Architectural lighting.
 - Lighting switches and AC sockets.
 - Fitted carpet.
 - Veneer/Fabric/Leather wall panels.

STBD GUEST ROOM ENSUITE

- Corian counter top.
- Wash basin and tap with hot and cold water supply.
- Hot and cold water shower mixer.
- Sky shower.
- Electric toilet.
- Extractor fan.
- Porthole with blinds.
- Corian flooring with teak boarder.
- Sanitary accessories (Tooth brush holder, soap holder, brush holder, towel hook, towel rail).
- Mirror.
- Architectural lighting.
- Lighting switches and AC sockets.

VIP ROOM

- Large double bed.
- Deck hatch with fly screen and blind.
- Wardrobe.
- Shelves.
- Portholes with curtains.
- Storage under the bed.
- Entertainment system.
- Air conditioning with control switch (optional).
- Reading lights.
- Architectural lighting.
- Lighting switches and AC sockets.
- Fitted carpet.
- Veneer/Fabric/Leather wall panels.

VIP ENSUITE

- Corian counter top.
- Wash basin and tap with hot and cold water supply.
- Shower room with foldable clear glass door.
- Hot and cold water shower mixer.
- Sky shower.
- Extractor fan.
- Electric toilet.
- Port hole with blinds.
- Corian flooring with teak boarder.
- Sanitary accessories (Tooth brush holder, Soap holder, Paper holder, Brush holder, Towel rail, Towel hook).
- Mirror.
- Architectural lighting.
- Lighting switches and AC sockets.

CREW CABIN

- Two single beds.
- Storage under the beds.
- Water tight entrance door to swim platform.
- S.S Ladder with teak steps.
- Teak flooring.
- Air conditioning with control switch (optional).
- Reading lights.
- Architectural lighting.
- Lighting switches and AC sockets.
- Veneer/Fabric/Leather wall panels.

CREW CABIN ENSUITE

- Corian counter top.
- S.S Sink and tap with hot and cold water supply.
- Hot and cold water shower mixer.
- Sky shower.
- Electric toilet.
- Sanitary accessories (Tooth brush holder, Soap holder, Paper holder, Brush holder, Towel rail, Towel hook).
- Corian floor with teak boarder.
- Mirror.
- Lighting switches and AC sockets.

ENTERTAINMENT SYSTEM

SALOON

- LCD TV 32" (Sony).
- DVD Home theater system (Life style 38 Series, Bose).
- Satellite receiver (Humax) – 01no.

OWNER ROOM (OPTIONAL)

- LCD TV.
- DVD Player.
- Satellite receiver.

VIP ROOM (OPTIONAL)

- LCD TV.
- DVD Player.
- Satellite receiver.

AFT COCKPIT

- Speakers (Bose) – 02 no.

FLY-BRIDGE

- Speakers (Bose) – 02 no.

ELECTRICAL SYSTEMS

- Main power supplied by 20Kw diesel generator.
- Shore power socket 3-Pole, 50Amp.
- Shore support inlet cable at aft cockpit.
- All battery banks charging with battery charger 80Amp, 24V.
- 2 x 12V, 200Amp batteries for Port engine.
- 2 x 12V, 200Amp batteries for Stbd engine.
- 2 x 12V, 100Ampbatteries for Generator.
- 2 x 12V, 200Amp batteries for House.
- Battery isolations switches.
- Generator/shore support change over switch at main control panel.
- Polarity check system.
- Circuit breakers on all circuits.
- Tank sensors for all tanks.
- Air ventilation system in engine room.
- 220V AC Power outlets in all cabins.
- All seacocks under the water line are grounded.
- Cathodic protection provided by cross bonded zinc anodes.

POWER AND DRIVE SYSTEMS

- Hydraulic steering system.
- Bow thruster 10HP, 24VDC with dual station controls.(optional)
- Stern thruster 10HP, 24VDC with dual stations controls (optional).
- 2 x Propellers, 4-bladed, AB2 material.
- 2 x Stainless steel Shafts.
- 2 x Bronze Rudders.
- Hydraulic Trim tabs.
- Engine Throttle.
- Sea water strainers for main engines.

FUEL SYSTEM

- Fuel capacity 923 US Gallons.
- Aluminum fuel tanks on port and starboard side with sight gauges (each tank capacity 400US Gallons).
- FRP integrated fuel day tank (123 US Gallons).
- Fuel gauges at main helm position.
- Fuel fillers on port and starboard side decks.
- All fuel tanks provided with manhole covers, ventilation pipes and connection pipes to manifold.
- Interconnection fuel lines are made of stainless pipes.
- High capacity fuel filters for engines and generator.
- Manual fuel shutoff valve.

FRESH WATER SYSTEM

- Water tank capacity 150 US Gallons (568L).
- 1 x AC Fresh water pump.
- Water heater 50Lt capacity, water heated by 240V immersion heater for hot water.
- Pump circuit breaker at main switch panel.
- Water level gauge at main helm position.
- Water fillers and ventilations on side deck.
- Electric sensors for fresh water tank.
- 26mm Mepla piping throughout supplying all outlets.
- Dock connection for shore water supply on aft swimming platform with pressure regulator.

BLACK WATER AND GREY WATER SYSTEM

- Black/Grey water tank capacity 20 US Gallons.
- Black and Grey water pumps works on 24VDC.
- Tecma toilet system 24V DC pump discharging to black water tank.
- Black and Grey water tank level gauges at main helm position.
- Black tank over board discharge on side deck.
- All plumbing lines are PVC pipes and flexible hoses.
- All tanks made of 3mm thickness Aluminum sheet.
- Electric tank sensors for tanks.

FIRE EXTINGUISHING SYSTEM

- Fixed fire extinguisher installed in engine room and connected with pull pin cable fitted at aft cockpit.
- Hand operated portable fire extinguishers installed for immediate use in all cabins.
 - Owner's room.
 - VIP room.
 - STBD side guest room.
 - Main console.
 - Fly-Bridge.
 - Galley.
 - Crew cabin.

BILGE SYSTEM

- Automatic electric Bilge pumps (2000 GPH) fitted in each water tight compartment.
 - Bow thruster hatch – 01no.
 - Owner's room – 02no.
 - Engine room – 01no.
 - Crew cabin – 01no.
- High capacity manual bilge pump with diverted valve system and suction points from engine room and rudders area (crew cabin).

AIR CONDITIONING SYSTEM (OPTIONAL)

- Chilled water air conditioning system with capacity 100000 BTU.
- All cabins Air Handlers are connected with Chillers system.
- A/C Chillers capacity , 50,000 BTU Port side in engine room 50,000 BTU STBD side in engine room
- The following capacity Air handlers are installed as,
 - Owner's room Port side – 12,000 BTU
 - Owner's room Stbd side – 12,000 BTU
 - VIP room – 12,000 BTU
 - STBD Guest room – 10,000 BTU
 - Crew cabin – 7,000 BTU
 - Galley – 24,000 BTU
 - Saloon fwd Port side – 16,000 BTU
 - Saloon aft Port side – 16,000 BTU
 - Wheel house area – 16,000 BTU
- 2 x chiller water pumps for chillers.
- 2 x Sea water pumps for chillers.
- Plumbing lines are made of PVC pipes.
- Pipe lines are well insulated.

INTERIOR SPECIFICATIONS MISCELLANEOUS

- Fenders-06no.
- First Aid kit-01no.
- Fire blanket-01no.
- Tool kit-01no.
- 14mm Rope 100 feet.
- Boat hooks-02no.
- Life rings-02no.
- Life jackets – 06no.
- Owner's manual and engine manual.
- Yacht documents.

GULF CRAFT PRODUCT RANGE

MAJESTY YACHTS

SUPERYACHT COLLECTION **101 - 155**

ABOVE Majesty 155

Gulf Craft launched its range of luxury fly-bridge yachts under the name of Majesty Yachts in 2004, and today features an innovative and extensive yacht range from 101 feet to 155 feet.

Majesty Yachts relies on an in-house design team, as well as on Dutch, Italian, British and Australian designers, catering to diverse global tastes in exterior styling and interior design. The Majesty Yachts team combines technical know-how, practical experience, and decades of steady investment to deliver personalized luxury without the price premium.

NOMAD YACHTS

ABOVE Nomad 65

The Nomad Yachts is the latest masterpiece created by Gulf Craft. The brand Nomad Yachts was first introduced to the world in 2015 at the Dubai International Boat Show. Although a young brand, the Nomad Yachts has quickly witnessed international success when in the month following its premiere, it was debuted in Europe, Africa and Asia. The brand new line of yachts is designed for serious boating enthusiasts who are looking to take their passion onto the high seas.

SILVERCRAFT

ABOVE Silvercraft 36 HT

Year after year, we're striving to exceed our customers' expectations. That's why we created the new Silvercraft fishing boats and family cruises. Continuing the Gulf Craft reputation for constant innovation and superior standard of quality, the Silvercraft range combines advanced hull designs, superior performance and evolving styles.

With the company founders being seasoned seafarers themselves, every new boat type is carefully designed and rigorously tested before introduction to the market. The strive for application of the latest technologies and to meet the design requirements of our customers spread all over the globe, is forcing a constant rejuvenation and rethinking of the production process, our products and services, manifesting itself in our ever-improving product quality, trying to redefine powerboating every single day.

ORYX

ABOVE Oryx 42

In 2006 Gulf Craft introduced the Oryx sport yachts and cruisers – the sea-borne equivalent of an elite sports car – that became an instant hit within weeks of its launch. Today the Oryx has evolved into a range of high-performance sport yachts and cruisers of different sizes that are exported worldwide.

Always innovative, the Oryx range continues to offer outstanding value-for-money and uncompromising on water performance for the growing sports cruiser market.
